## JOIN US IN SUPPORTING OUR FUNDRAISING EFFORTS TO BUILD THE FIRST LUTHERAN CHURCH IN BUDAKESZI, HUNGARY!

The Lutheran Congregation of Budakeszi of the Lutheran Church in Hungary will soon start building its own church.

Beyond its ministry the new church will also enrich the cultural and musical life of the local community, the Zsámbék-valley as well as settlements near Budapest.

The congregation has 350 members.

4 settlements belong to the congregation.

2 teachers provide Lutheran religious education in 5 different schools.

Please join us in reaching our goals!

Support the building of our church with your contribution!

You can help:

-With your Prayers

-With your financial support by a donation to the bank account of „Building the First Lutheran Church Foundation”

*Our Lord God,*

*You have faithfully guided us until now. We build the life of our congregation upon your promise: „Behold, I will do a new thing; now it shall spring forth; shall ye not know it?” We gratefully experience your steadfast love in our midst. Lord, continue to build the community with and in you. We thereby commend the cause of the building of our church into your hands since we know that „Except the LORD build the house, they labour in vain that build it”. Bless our plans and our church-building efforts that will serve the strengthening of the community and glorify your holy name.*

*Amen*
